

Easter 2019

**Jesus died, Jesus rose from the
grave, Jesus wants to live in us
and with us forever.**

**We want to live the
abundant, eternal
life of Christ with the
same power that
raised Jesus from
the grave.**

“I have been crucified with Christ and I no longer live, but Christ lives in me. The life I live in the body, I live by faith in the Son of God, who loved me and gave himself for me.”

Galatians 2:20

**There can be no
joyous resurrection
to new life without
first experiencing
the sobering reality
of dying to myself.**

Romans 6:5-14

**Too many of us want
Easter on our own terms.**

**We want an easy way
where we can have new
life in Christ and still
enjoy the self-centered
life we want to live!**

To find real life, you must lose the life you are currently living. To live you must die. To be made new in Christ you must leave your old way of living.

Easter 2019
